

To all Lakota West High School Families:

The Lakota West High School Parent, Teacher, Student Organization (PTSO) is currently organizing and planning for the upcoming school year. We are committed to enhancing the academic and social environment of our students. We strive to maintain excellent communication between all partners in our academic community. Your involvement is essential.

The PTSO meetings are held on the second Thursday of each month (excluding December) at 7:00pm in the Media Center. Our meetings are open to all and are a great way to get to know what is happening at Lakota West. We value your time and therefore it is our goal to hold each meeting to one hour.

The following is a list of our activities and we invite you to become involved. Your time and talents will help make this a successful year. Please consider signing up where you can help. We welcome your opinions and suggestions. If you have any questions or wish additional information regarding any of our committees, please feel free to give us a call.
